Independent Auditor's Report

To the Board of Directors Her Justice Inc.

Opinion

We have audited the accompanying financial statements of Her Justice Inc. (the "Organization") which compromise the statement of financial position as of June 30, 2022 and June 30, 2021 and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2022 and June 30, 2021 and the results of its activities and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Condon O'Meara Mc Benty & Donnelly LLP

Notes to Financial Statements June 30, 2022 and 2021

Note 1 – The Organization

Her Justice (the "Organization") was organized as a nonprofit corporation under the laws of the State of New York on October 9, 1992. The Organization stands with women living in poverty in New York City by recruiting and mentoring volunteer lawyers to provide free legal help, and by addressing individual and systemic legal barriers.

Note 2 – Summary of significant accounting policies

Net assets

The Organization recognizes all unconditional grants and contributions as support on the statement of activities. Any grants or contributions that are without donor restrictions are recognized as such. Any grants or contributions that are restricted or pertain to future periods are reflected as net assets with donor restrictions. The following is a summary of the net assets:

Without donor restrictions

Operating

Operating net assets are used to account for the general activities.

Sustainability fund

During the 2013 fiscal year, the Board of Directors authorized the establishment of a sustainability fund. The fund is to be used to ensure long-term sustainability.

Bequest fund

During the 2009 fiscal year, the Board of Directors authorized the establishment of a bequest fund. The fund is to be used to support development and marketing initiatives.

With donor restrictions

Net assets with donor restrictions (temporary donor restrictions) consist of expendable grants and contributions which are restricted by the donor or pertain to future periods. When the time restriction ends or the purpose of the restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restriction.

Contributions

A majority of revenues are from donated legal services and from contributions. Contributions are recognized as revenue in the period contributed. Contributions other than cash are recorded at their fair value on the date they are received.

The Organization's policy is to record, as support without donor restrictions, contributions with donor-imposed restrictions when these restrictions are met in the same year that these contributions are received. Contributions with donor restrictions are recorded as support with donor restrictions.

Notes to Financial Statements (continued) June 30, 2022 and 2021

Note 2 – Summary of significant accounting policies (continued)

Donated services and materials

The Organization engages the vast talent and resources of New York City's law firms, bringing together committed lawyers and determined women to secure life changing results. The Organization values and reports those donated services composed of legal fees totaling \$35,958,719 for the 2022 fiscal year and \$40,648,205 for the 2021 fiscal year, which require specialized skills and are provided by individuals possessing those skills that would typically need to be purchased if they had not been provided by donation, at the estimated fair value of these services. The Organization also received donated materials totaling \$38,051 for the 2021 fiscal year.

Cash equivalents

Highly liquid assets with a maturity of ninety days or less are considered to be cash equivalents.

Investments

Investments are recorded at fair value based on publicly quoted prices. Realized and unrealized gains and losses on the investments are recognized as revenue in the statement of activities in the sustainability fund.

Allowance for doubtful accounts

The Organization has determined that an allowance for doubtful accounts is not required for any accounts receivable or unconditional promises to give that may not be collectible. Such estimate is based on management's experience, the aging of the receivables, subsequent receipts and the current economic conditions.

Leasehold improvements, office furniture, equipment and depreciation

Office furniture and equipment are recorded at cost and are being depreciated on the straight-line method over their estimated useful lives. Leasehold improvements are being amortized over the term of the lease. During the 2022 and 2021 fiscal years, \$12,188 and \$41,408, respectively, of fully depreciated assets were written off the books of the Organization.

Expense allocation

Expenses are charged to program services and fundraising on the basis of periodic time and expense studies. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of Her Justice.

Notes to Financial Statements (continued) June 30, 2022 and 2021

Note 2 – Summary of significant accounting policies (continued)

Concentrations of credit risk

Financial instruments that are potentially exposed to concentrations of credit risk consist primarily of cash and money market funds, investment and receivables. The Organization places its cash and money market funds with what it believes to be quality financial institutions. At times during the year, cash balances exceeded the FDIC insurance limit. The Organization has not experienced any losses in such accounts to date. Investments are exposed to various risks such as interest rate, market volatility, liquidity and credit. The Organization routinely assesses the financial strength of its holdings in its investment portfolio. The Organization monitors its receivables on an ongoing basis and believes they are fully collectible. The Organization believes no significant concentrations of credit risk exist with respect to its cash and money market funds, investment and receivables.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results may differ from these estimates.

Subsequent events

The Organization has evaluated events and transactions for potential recognition or disclosure through December 12, 2022, which is the date the financial statements were available to be issued.

Note 3 – Liquidity and availability of financial assets

The following is a summary of the Organization's financial assets as of the statement of financial position date that are available for general use within one year of the statement of financial position date:

	2022	2021
Cash and cash equivalents	\$ 3,984,762	\$ 3,239,081

investments			_(409,012)	308,381	
Total investmen	\$ (294,438)	\$ 399,220			

Fair value measurements

Fair value refers to the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The fair value hierarchy gives the highest priority to quoted market prices in active markets (Level 1) and the lowest priority to unobservable data (Level 3). Fair value measurements are required to be separately disclosed by level within the fair value hierarchy. The three levels of inputs used to measure fair value are as follows:

- Level 1 Quoted prices in active markets for identical assets.
- Level 2 Observable inputs other than Level 1 prices such as quoted prices of similar assets; quoted prices in markets with insufficient volume or infrequent transactions (less active markets).
- Level 3 Unobservable inputs to the valuation methodology that are significant to the measurement of fair value of the assets.

All investments are considered to be Level 1.

Note 5 – Loan payable

On May 4, 2020, the Organization received \$613,265 under the Paycheck Protection Program ("PPP"). The Organization recorded the proceeds as a liability until the loan was forgiven and the Organization was legally released. The Organization spent all of the proceeds in accordance with the terms of the PPP loan program and the PPP loan was forgiven in its entirety during July 2021. The PPP loan is recorded as a government grant in the 2022 fiscal year statement of activities

Notes to Financial Statements (continued) June 30, 2022 and 2021

Note 6 – Net assets with donor restrictions

The transactions and components of net assets with temporary donor restrictions for the year ended June 30, 2022 and June 30, 2021 are as follows:

<u>Purpose</u>	Balance at June 30,	Support and Other	Released from Restrictions	Balance at June 30, 2022
Multi-year pledges	\$ 230,000	\$ 300,000	<u>\$ (130,000)</u>	\$ 400,000
<u>Purpose</u>	Balance at June 30, 2020	Support and Other	Released from Restrictions	Balance at June 30, 2021
Multi-year pledges	\$	\$ 265,000	\$ (35,000)	\$ 230,000

Note 7 – Retirement plan

Effective January 1, 2009, the Organization sponsors a flexible 401(k) profit sharing plan whereby eligible employees may authorize payroll deductions of a percentage of their salary not to exceed IRS limits. Each participant invests these amounts in various self-directed investment contracts, and the Plan is administered by an independent contractor. During fiscal 2022 and 2021, the Organization's contributions to the plan totaling to \$99,078 and \$57,954, respectively.

Note 8 – Lease agreements

During June 2011, the Organization entered into a lease agreement which is set to expire on June 30, 2022. Monthly payments of \$46,560 began seven months after the commencement date for the first 5 years and \$52,380 for the remainder of the lease. During October 2021, the Organization entered into a first amendment to the lease extending the lease term for an additional ten years to June 30, 2032 with monthly payments of \$80,025 during the period from July 1, 2022 through June 30, 2027 and \$87,300 for the remainder of the lease. The Organization received a rent abatement in connection with the first amendment to the lease as described in the agreement. In connection with the lease, at June 30, 2022, the Organization has a letter of credit secured by a certificate of deposit for \$480,150.

Note 9 – Tax status

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the "Code"). In addition, it has been determined by the Internal Revenue Service to be a publicly supported organization, and not a private foundation under the meaning of Section 509(a)(1) of the Code. Her Justice qualifies for maximum charitable contribution deductions for donors.
