Her Justice's Leadership Giving Community

The Power Collective recognizes the generous individuals whose annual and monthly support fuels free legal services for women and families across New York City.

"There's a future, and it's attainable now. There's hope. Your life is your own again. Her Justice gave me that back."

— Anna, Her Justice Client

Every member plays a vital role in building a future where every woman has the power to be safe, to be strong, and to lead.

\$50,000+

NEW!

PRESENTING POWER PARTNER

For those ready to transform lives and fuel bold solutions for generations to come, your gift expands access to justice for women and families across New York City, advancing the systems change that benefits all New Yorkers — the kind of gift that touches every stage of a client's journey to safety and autonomy.

\$25,000+

POWER VISIONARY

For those who want to help women and families stay together, your gift supports the advanced training that equips our pro bono attorneys to provide expert representation — so survivors can secure lawful status, gain custody of their children, and build safe, stable homes.

\$15,000+

POWER CHAMPION

For those who want to help secure our clients' futures, your gift helps protect their financial freedom — funding work authorization, forensic accounting, and court-required documentation — while backing the advocacy that carries this work forward and strengthens the path ahead.

\$10,000+

POWER LEADER

For those who want to help survivors be seen, your gift funds the documentation survivors need to pursue safety and justice — filing fees, required FBI fingerprinting, medical exams, expert evaluations, and the reports that make their cases possible.

\$5,000+

POWER ADVOCATE

For those who want to help survivors be heard, your gift funds court transcripts, interpreters, certified records, and legal documentation — so every client can fully participate in the legal process.

\$2,500+

POWER SUPPORTER

For those who want to help every woman show up, your gift covers transportation, rideshares, transit costs, and accessibility accommodations — removing the barriers that keep clients from reaching the courts and services they need.
