

Give From Your *Donor Advised Fund*

Consider recommending a grant to Her Justice through a Donor-Advised Fund (DAF): a tax-advantaged, charitable giving account for individuals, families, or businesses to help support your favorite non-profits.

Note: In accordance with IRS guidelines and DAF sponsors' rules, donations from DAFs cannot be used to pay-neither partially or wholly-for fundraising events/tickets/tables, or memberships if they include goods or benefits that aren't fully deductible. If you decline all goods and benefits, you can use a DAF donation for payment.
